To: The Mayor, The Gautier City Council, and The City Manager

I am writing this email to you all with an idea that I have. Most of you probably know my Dad, George Martin. If you do know him, then you know how much he LOVES his City. His daily priorities include picking up trash off the roadways of the City of Gautier. He also volunteers a lot of time to the Gautier Pride and the Beautification of Gautier. Most of you probably remember years ago, he was the lone pruner of the Crepe Myrtles between Gautier and Hwy 57. A task that no one else probably wanted to do. He is always willing to do anything to help with the beautification or the growth of the City. I was thinking a great way to honor him, would be to rename the Gautier City Park to the George Martin Gautier City Park. I may be bias because he's my Dad but this would be a honor he much deserves. So think about it if you would and please let me know what you think. Thank you and I look forward to hearing from one of you or all of you.
