The above application is required under Section 203, Chapter 137, Privilege License Law of 1944. Positively no license will be issued without a properly executed application, which the Tax Collector is required to keep on file for three years.

License issued for one year expires on the FIRST DAY of the month issued, regardless of the day of the original issue, and new license MUST be obtained not later than the last day of the same month to avoid delinquency. Mailing remittance on the last day of the month is not sufficient. It must be mailed in time for license to be issued within the month due.

An initial penalty of ten percent (10%) and thereafter a penalty of one percent (1%) per month for each month or part thereof during which the tax remains delinquent.

Application must be accompanied by proper remittance payable to City of Gautier. If payment is made by mail, address to City Tax Collector, 3330 Hwy. 90, Gautier, MS 39553-5124, and place in mail in time for it to be postmarked before the last day of month in which due.
