Rory,

Thank you for coming to the pre bid meeting. I enjoyed meeting each and every one of you. To answer your question on the Storm clean up an Addendum 4 will follow this email. As far as the due date is concerned, we would not be able to extend the current contract past August 31st of this year. To be in compliance with the law we would have to start a new contract after (6) six years. We have spoken to Waste Pro and they will provide services to the City as such time needed for a new contract to begin.

Good afternoon Cindy #1, It was a pleasure to have met you this morning at the pre-proposal meeting.

To follow up I wanted to verify that Section II. Scope of Services, H. Storm damage or natural disaster clean-up and disposal, on Page 7 is going to be changed to read, "Cost of this service shall not be included in the proposal price".

Most importantly, we are requesting, that due to the issue with having the legal notice published in a timely manner, the City revisit the time frame for the Proposal due date of August 16, 2012 and Contract commencement date of September 1, 2012. A more realistic time frame, given the large amount of capital required to service the 7,500 residential units, would be a due date of September 13, 2012 and a commencement date of December 1, 2012.

Thank you for your attention to this matter, I look forward to hearing from you,

Thanks Cindy, It was a pleasure meeting you this week...I am placing the questions ask at the meeting in written form for answers for the record.

1. Will the extension of (60) days requested be granted ? Waste pro is willing to work with us until a contract is put in place.

2. Should we submit our best price on the sealed proposals or leave room for negotiations on a best and final offer ? You should submit your best price on the proposal.

3. Will the City issue a new pricing proposal sheet as the original request has changed ? Yes

4. Will the RFP prices be read aloud at the opening? Yes

5. Will the award be made to the lowest price proposer ? The City will select the lowest and best proposal

6. Please define what lowest and best offer means ? The lowest and best offer that is in the best interest to the City

7. What is the rate per yard the City of Gautier pays to Applewhite Landfill for trash disposal? $2.00 per yard

8. What are the total yards disposed of at Applewhite Landfill in 2011? Approximately 14,000.00

9. Will the City of Gautier continue to pick up/collect yard and bulky waste as you do now ? Yes

R80

Rory,

The City Council Meeting will be held on the 21st of August. I have to have proposals into the council by that date.

Thanks,
Cindy

Thank you Cindy – As Waste Pro is willing to provide service after the August 31 time frame, would the City consider a due date of August 28 for the proposal submittal?
