Page 11 IV Interruption of Service: Offset for City's response costs shall read – Forty eight hours shall be **changed to (5) five business days** and (72) seventy two hours shall be **changed to (30) thirty days.**

> In the event that service is interrupted for any reason for more than five (5) business days or the CONTRACTOR fails to perform ninety percent (90%) of collection area or route, the CONTRACTOR may be held in default of the Contract. The CITY shall have the right to make temporary independent arrangements for the purposes of continuing this necessary sanitation service to customers in order to secure and protect the public health and safety. Any costs that the CITY incurs for addressing interruption or disruption of service shall be assessed to the CONTRACTOR. In addition, the City shall deduct its expenses as charges off setting the CITY'S obligations otherwise owed the CONTRACTOR. If the interruption in service mentioned herein continues for a period of (30) thirty days, the CITY shall have the right to terminate the contract upon notice only to the CONTRACTOR. The need for uninterrupted sanitation services to the community is an imperative governmental function of the CITY and in this regard, the requirement for uninterrupted service is a material requirement of the contract and time is of the essence where such services are concerned.
