The allowed amount may be based on the negotiated rate payable to In-Network providers in the same area or the average charge for care in the area. ● Please be aware that providers/specialists may be listed in a PPO directory or provider finder web site, but not covered under this benefit plan. Please check your benefit booklet for more detailed coverage information. ● In-network Certified Registered Nurse Practitioners (CRNPs) /Certified Nurse Midwives (CNMs) are considered eligible providers; no coverage out-of-network for services provided by CRNPs and CNMs. ● Physician assistants and physician assistants who assist with surgery acting under the supervision of PMD/PPO physicians are eligible providers. ● Bariatric Surgery, Gastric Restrictive procedures and complications arising from these procedures are not covered under this plan. PREFERRED DENTAL

Blue Cross and Blue Shield of Alabama's Dental Network is a statewide dental network. This managed care program is designed to promote quality and cost effective dental care. Currently more than 1,260 dentists, approximately 74% of the dentists in Alabama, have joined this program.

Dental Network Provisions:

- Network dentists will file all claims and accept the Blue Cross payment as payment in full (after any deductible and coinsurance you owe).
- Payments for covered services provided by in-network dentists in Alabama are based on the dental network fee schedule that offers an average savings of approximately 20% off billed charges.
- Payments for covered services provided by out-of-network dentists in Alabama will be made according to the dental network fee schedule at the same level as in-network services. However, you may be responsible for the difference between the Blue Cross payment and the dentist's charge (plus any deductible and coinsurance). You may also have to file the claim if your dentist's office will not.
- Payments for covered services received outside Alabama will be paid at the lesser of the amount Blue Cross will recognize as the "allowed amount" or the amount charged by the dentist.

Rates effective December 1, 2011 through November 30, 2013

Open your eyes to high-quality vision care! The average family spends close to \$600 each year on routine eye health care. Using Humana/Compbenefits' VisionCare Plan, you will receive your routine eye health care with just a small co-payment.

Humana/Compbenefits' VisionCare Plan provides coverage for:

- Eye examinations
- Frames
- Eyeglass Lenses
- Contact Lenses
- Discount on LASIK surgery

Plus, when ordering from one of our network eye doctors, you will also receive in the year of your eye exam:

- A 20% discount on a second pair of eyeglasses
- A 15% discount on fees for elective contact lenses

MONTHLY RATES		SERVICE FREQUENCY		CO-PAYMENTS	
Employee only	\$ 9.34	Vision exam	Once every 12 months	Exam	\$15.00
Employee + family	\$22.68	Lenses	Once every 12 months	Materials	\$15.00
		Frame	Once every 24 months		

SEE THE DIFFERENCE

You can save money two ways with VisionCare. First, the cost of plan services and materials is discounted and prepaid. So except for any co-payments, you have no out-of-pocket expenses for covered services and supplies when you use one of our network doctors. Second, your coverage costs are deducted from your pay before any federal income or FICA taxes are taken out. This makes your taxable wage base lower, so you would pay less tax.

Here's an example of how the plan helps you save over the course of a year:

<u>If You Get:</u>	<u>You Pay:</u>	
	VisionCare Doctor	Typical Retail
Eye exam	.00	\$65.00
Frame (designer style)	.00	\$100.00
Lenses: Bifocal	.00	\$75.00
Option (pink tint #1 or #2)	.00	\$15.00
Co-payments:		
\$15 exam/\$15 materials	\$ 30.00	N/A
Premium (\$9.34 monthly X 12)	\$112.08	N/A
	\$142.08	\$255.00
Pre-tax savings) assuming 18% tax bracket & 7.65% FICA)	-28.75	.00
Total Cost	\$113.33	\$255.00

YOUR TOTAL SAVINGS THROUGH VISIONCARE: 65% OFF RETAIL

In this example, you would have saved \$206.67 in vision care costs with VisionCare Plan. Keep in mind, however, that your actual savings will depend on your plan allowances, your actual premium, the doctors and materials you select, and your own tax situation.

HOW DOES VISIONCARE PLAN WORK?

Members simply select any in-network optometrist or ophthalmologist and schedule an appointment. You can locate a provider in your area by accessing the current directory online at www.mycompbenefits.com

The Plan is simple to use. Select a doctor from our provider directory and call for an appointment. At the time of your appointment, present your ID Card to the participating provider. Members will pay only their co-payments and for any extra cosmetic options selected. There are no additional forms to complete or claims to file.

Members can also choose an out-of-network provider. In this case, pay the doctor at the time of the visit and submit receipts to Humana/CompBenefits for reimbursement. Benefits are paid according to a reimbursement schedule listed below.

Maximum Allowances	Network Doctor (After co-payments/ Up to plan limits)	Non-network Reimbursement Amount (Co-payments apply)
