RE: Notice of Claim

Mr. Ramsey,

Please consider this letter a Notice of Claim pursuant to 11-46-11 MCA. I have been doing business with the City of Gautier for over 10 years now. I presented two invoices for the amount of \$436.00 for payment of last fiscal year for alarm monitoring for Bacot Park and City Park.

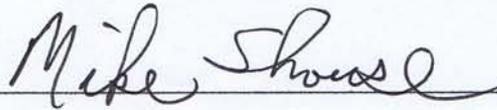

I was asked by Dennis Reeves former Public Works Director to turn in a contract for these services. I am seeking payment for the two invoices totaling \$436.00 submitted on January 2, 2012.

Thank you for your prompt consideration in this matter.

Sincerely,

Mike Shouse
