Redd Pest Solutions has been providing superior termite protection for Mississippi and Alabama residents for over 50 years. During this time, your Redd Pest technician has performed Annual Termite Re-Inspections on your home and or business as part of your current termite protection agreement. In the past the state regulations governed by the Bureau of Plant Industries has only required an exterior inspection. However, new regulations have been implemented by the Mississippi Department of Agriculture (Bureau of Plant Industries) that requires an interior/exterior inspection in conjunction with a signed receipt of said inspection.

Redd Pest Solutions welcomes these regulation changes as a positive augmentation to your current termite protection agreement. Redd Pest Solutions greatly appreciates your confidence in our ability to provide these enhanced inspections for your properties. Please call customer care at 888.733.3626 to schedule an appointment for your inspection.
