CITY OF GAUTIER

STAFF REPORT

To: Gautier Planning Commission Chairman and Members
From: Babs Logan, Planning Technician
Through: Chandra Nicholson, Planning and Economic Development Director
Date: October 31, 2013
Subject: Consideration of a Major Development Permit for a Specific Sign to be Located at 3880 Gautier-Vancleave Road, Suite #3; Nghe Nguyen, owner of Wonder Nails & Spa. (GPC #13-25-MD).

REQUEST:

The applicant, Nghe Nguyen, owner of Wonder Nails & Spa, has requested that his application for a specific sign to be placed at his new location be considered as a major development for Planning Commission recommendation and Council approval. The Technical Review Committee denied approval of the sign. The application was submitted on October 2, 2013.

The proposed sign is to be located at 3880 Gautier-Vancleave Road, Suite #3 which is in a C-2 Community Commercial zoning district.

DISCUSSION:

The Technical Review Committee met to review the proposed sign on September 26, 2013.

The Technical Review Committee (TRC) members noted that all signs in the Baywood Commons shopping center where the applicant's business will be located are all one design. They want the applicant's sign to be compatible with the existing signs. TRC members suggested that the applicant place the sign on the inside of the window. The applicant stated that the window frame would interfere with the look of the sign. The applicant stated that the sign he wanted to use was the sign he had used in the mall prior to having to relocate due to the demolition of the mall for future construction.

Section 3.3.1 of the Unified Development Ordinance states that the TRC shall have authority of final approval for exterior design of all structures including signs in a commercial zoning district

and that the applicant may request the item be considered as a major development for Planning Commission recommendation and Council approval.

CONCLUSION AND RECOMMENDATION:

The Technical Review Committee denied approval of the proposed sign. Staff is forwarding the request to Planning Commission and Council for review at the applicant's request.

Based on the Technical Review Committee's review, the analysis of the site data, zoning, and the appropriateness of the request, the Planning Commission may:

1. Recommend approval of the Major Development Permit; or
2. Recommend denial of the Major Development Permit.
