**CITY OF GAUTIER
MEMORANDUM**

To: Samantha Abell, City Manager
From: Babs Logan, Planning Technician
Thru: Chandra Nicholson, Planning and Economic Development Director
Date: November 21, 2013
Subject: Consideration of an Ordinance Allowing Recreational Vehicles as a Conditional Use-Major in the MURC-MW Zoning District; GPC Case #13-23-UDO

REQUEST:

The Planning and Economic Development Department has received a request from James T. Lacy to amend Section 5.2.2 of the Unified Development Ordinance (UDO) to include “Recreational Vehicles” as a Conditional Use-Major in MURC-MW Mixed Use Recreation Commercial-Mary Walker zoning district. The request is not site specific except as it applies to parcels in the MURC-MW district.

BACKGROUND:

Amendment Process

Amendments to the Unified Development Ordinance may be initiated by the City Council, the Gautier Planning Commission (GPC), the City Staff, or by a citizen. The process requires that the GPC review and forward a recommendation to the City Council on the proposed amending ordinance(s).

After due public notice the City Council shall hold a public hearing after the first reading of the ordinance amending the UDO. The City Council may consider approval after a public hearing based on the application and the relevant support materials, testimony at the public hearing, the GPC recommendation, and the Staff Report.

DISCUSSION:

Planning Commission finds that the MURC-MU zoning district was implemented to protect the special character and operation of the area. The area includes a mix of uses such as permanent single-family residences, seasonal single-family detached residences and tourist-oriented uses including recreation vehicles, seasonal cabins, marinas, dry boat storage, dinner clubs, and restaurants. Recreational vehicles were provided for by allowing “recreational vehicle parks” in the MURC-MW zoning district.

RECOMMENDATION:

Planning Commission recommends denying the request to amend Section 5.2.2 of the Unified Development Ordinance to allow recreational vehicles on individual parcels in MURC-MW.

The City Council may:

1. Approve the proposed ordinance amendment which will allow recreational vehicles on individual parcels in MURC-MW;
2. Approve the proposed ordinance amendment with changes; or
3. Deny the proposed ordinance amendment.

GPC #13-23-UDO

VII. NEW BUSINESS

A. LEGISLATIVE

1. REQUEST TO AMEND THE UDO TO ALLOW RV'S IN A MURC-MW DISTRICT (JAMES T. LACY) (GPC CASE #13-23-UDO)

**CITY OF GAUTIER
STAFF REPORT**

To: Chairman and Members, Planning Commission
From: Babs Logan, Planning Technician
Thru: Chandra Nicholson, Planning and Economic Development Director
Date: October 29, 2013
Subject: Consideration of an Ordinance to Amend Section 5.2.2 of the UDO to Allow Recreational Vehicles as a Conditional Use-Major in the MURC-MW Zoning District. GPC #13-23-UDO

REQUEST:

The City has received an application from James T. Lacy requesting to amend Section 5.2.2 of the Unified Development Ordinance (UDO) to include “Recreational Vehicles” as a Conditional Use-Major in MURC-MW Mixed Use Recreation Commercial-Mary Walker zoning district. The request is not site specific except as it applies to parcels in the MURC-MW district.

The applicant paid the required \$250.00 application fee on October 23, 2013.

BACKGROUND:

Zoning and Land Use History

The City’s Unified Development Ordinance does not permit recreational vehicles within the MURC-MW zoning district unless they are located in an RV park.

The amendment would grant property owners within the MURC-MW district the right to request a conditional use-major permit to allow a recreational vehicle, after a public hearing and approval by the Planning Commission and Council.

The Amendment Process

Amendments to the Unified Development Ordinance may be initiated by the City Council, the Gautier Planning Commission (GPC), the City Staff, or by a citizen. The process requires that the GPC review and forward a recommendation to the City Council on the proposed amending ordinance(s).

The City Council may consider approval after a public hearing based on the application and the relevant support materials, testimony at the public hearing, the GPC recommendation, and the Staff Report.

DISCUSSION:

The City's UDO has three (3) types of uses which may be allowed in the various districts established: permitted principal uses, permitted accessory uses both of which are permitted by right, and conditional uses.

Conditional uses are uses that are not generally considered compatible with other land uses in a particular zoning district. A Conditional Use-Major requires a recommendation by the Planning Commission and the approval of the City Council, if they find the use appropriate, after individual site review, based on their site location, design, configuration of buildings, intensity or density of use, or the imposition of conditions pertinent thereto, and may permit such individual uses. If the major conditional use is transferred to a new owner, the new owner must submit a letter to the Economic Development Director agreeing to the current terms and conditions.

The criteria for approval of a conditional use-major development permit can ensure design and land use compatibility with the uses allowed in the MURC-MW District.

STAFF FINDINGS:

Staff finds that when the area was rezoned in December 2010 consideration was made for recreational vehicles and it was decided to only allow them in RV parks. In following the original plans for the MURC-MW Mixed Use Recreation Commercial-Mary Walker zoning district Staff recommends against approval of this ordinance.

RECOMMENDATIONS:

The Planning Commission may:

1. Recommend that City Council approve the Ordinance; or
2. Recommend that City Council not approve the Ordinance.
