MEMORANDUM**

**To:** Samantha Abell, City Manager  
**From:** Joe Belles, Code Enforcement Officer  
**Through:** Patty Huffman, Grants and Project Manager  
Chandra Nicholson, Planning and Economic Development Director  
**Date:** January 13, 2014  
**Subject:** 3824 Kendale Drive Gautier, Mississippi 39553.  
Conduct public hearing to determine if the property or parcel of land is a menace to the public health, safety and welfare of the community.

---

**REQUEST:**

Pursuant to the Mississippi Codes Annotated, 1972 § Title 21, Chapter 19, Section 11, the City of Gautier, the Mayor and City Council will conduct a public hearing and receive public comment(s) regarding staff's recommendation to clean this private property and render the structure safe by securing all windows and doors.

**BACKGROUND:**

An initial telephone complaint from a neighbor concerned with code violations was reviewed and substantiated by code enforcement and a code violation file was opened against the property in July 2009. Code enforcement has dealt with repeated minor code violations since July 2009. The most recent case was reopened when the Crime Prevention Officer requested code enforcement clean and secure the property as neighbors have complained at neighborhood watch meetings repeatedly. Code enforcement learned the owner was deceased (December 2, 2006) and began working with the appointed executor Ms. Wendy Neary and the appointed attorney Michael J Vallette, to correct the minor recurring violations. Initially both individuals would respond and correct the violations when requested. In May 2012, code enforcement contacted Ms. Wendy Neary concerning code violations and Ms. Neary responded by informing code enforcement she was no longer the appointed executor of the property. Code enforcement has sent four letters to the appointed attorney and the last three have not received a reply. In addition, telephone calls to the attorney's office have not been answered. The 2011 and 2012 taxes remain unpaid by the estate; however, the appointed attorney Michael J. Vallette, for the last four years has redeemed the most delinquent taxes to prevent a tax sale of the property. The vacant property continues to show signs of disrepair with visible signs of decaying wood surfaces noticeable from the public right-of-way.

Property owners in the vicinity remain concerned with the visible appearance of this overgrown property and the unsecured/unsafe structure. Neighbors are concerned for the health, safety and welfare of their neighborhood. Code enforcement informed the owners by letter on December 9, 2012, the property would be recommended for a public hearing if not in compliance by January 6, 2014. On January 4, 2014, the Mayor and City Council set a public hearing date of February

4, 2014, and all interested parties were notified by letter. Additionally, both the property and city bulletin board were posted with a copy of the public hearing notice two weeks prior to the scheduled hearing.

**DISCUSSION:**

The primary goal is to clean up and maintain the overgrown property pursuant to the Mississippi Codes Annotated, 1972 § Title 21, Chapter 19, Section 11, and secure the structure in accordance with the International Building Code requirements.

**RECOMMENDATION:**

Staff recommends the Mayor and Council should allow the responsible party has until February 28, 2014, to clean up the property and secure the structures doors and windows. If the property is not cleaned and structures doors, windows secured by February 28, 2014, the Mayor, and Council should direct staff to commence with clean up of the property as prescribed after the statutory 10-day appeal period from the date of Council action and adjournment.

Mr. Vallette,

The property address referenced above is in violation of the City of Gautier, property code ordinance after previously sending you three letters of violation. On May 29 2012, the property received another complaint regarding the overgrown vacant property, declining property condition and the general state of disrepair of the structure. Many wood surfaces are decaying and visible from the city street. The City of Gautier, Unified Development Ordinance, Article XVI, Section 16.7, Care of Property and Premises States:

Mr. Vallette,

On May 10, 2011, a Code Enforcement Officer for the City of Gautier received another property code complaint against the property address referenced above. I understand you are still the attorney for this estate. The property is overgrown with grass and weeds and has a dead tree located on the property. The dead tree has already dropped a large branch that damaged a storage-building roof on the neighbor's property. The neighbor is not asking for the cost of the damage to her property but she would like to have the tree removed so it will not cause any additional damage as we approach the hurricane season. Additionally, the property needs to be maintained to an amicable appearance with other property owners in this area.

You may contact the City of Gautier, Code Enforcement Office, Monday - Thursday, 8:00 AM - 5:00 PM at (228) 497-8802/1878. I will be happy to assist you with any questions you may have. We gratefully appreciated your cooperation in this matter.

Mr. Vallette,

On August 10, 2009, I noticed someone had worked on the vacant home of Mr. Thompson and had cut the grass/weeds and trimmed some shrubs. Neighbors informed me there was a person (female) at the property over the weekend who informed neighbors she was in charge of the property and was attempting to sell the vacant home. I just wanted to inform you during my inspection this morning the property was found unsecured (front door wide open) and whoever performed the yard maintenance left the grass and leaves scattered all over the driveway.

I appreciate your initial help resolving the property maintenance complaint I received and would like to know if someone else should be contacted regarding other concerns or problems that arise. Mr. Vallette,

On July 9, 2009, a Code Enforcement Officer for the City of Gautier received a complaint regarding a code of ordinance violation at 3824 Kendale Drive Gautier, Mississippi. After some research, I discovered you were handling the estate of the deceased owner. The property was being maintained by someone until recently and now needs routine property maintenance to correct the minor code violations. The property needs mowing, trimming shrubs and raking the yard to return the property to within code requirements. I appreciate you returning my phone call and working to correct these minor violations. At this time, we would like to see the minimum maintenance performed to maintain an amicable appearance with other property owners in this area.
