EQUIPMENT LEASE-PURCHASE AGREEMENT

This Equipment Lease-Purchase Agreement (the "Agreement") dated as of April 4, 2014 is entered into between BancorpSouth Equipment Finance, a division of BancorpSouth Bank (the "Lessor"), whose Principal Office (herein so called) is located at Hattiesburg, Mississippi and the City of Gautier, Mississippi, (the "Lessee"), acting by and through it's city council, the Governing Body of the Lessee.

1. Agreement to Lease. In consideration of the rental provided herein, and the other covenants contained herein, Lessor hereby agrees to lease and rent to Lessee, and Lessee hereby agrees to lease and rent from Lessor, all the machinery, equipment and other personal property ("Equipment") described in Equipment Lease Schedule(s) ("Equipment Schedules") now or hereafter executed by Lessor and Lessee and attached hereto and incorporated herein by reference as Exhibit B upon the terms and conditions set forth in this Agreement, as supplemented by the terms and conditions set forth in the appropriate Equipment Schedule identifying such item of Equipment and such other Equipment Schedules as may be executed by Lessor and Lessee and attached hereto and incorporated herein by reference.

2. Lease Term. The obligations of Lessor and Lessee under this Agreement will commence upon the execution hereof by Lessor and Lessee and will end upon the full performance and observance of each and every term, condition, and covenant contained herein, each Schedule hereto and any extensions thereof. The rental term of the Equipment listed in each Equipment Schedule shall commence on the date that the rental payment is due as provided in the Equipment Schedule and shall terminate on the last day of the term stated in such Equipment Schedule. This Agreement shall be automatically renewed on a year-to-year basis except as provided for in Paragraph 4.

3. Rental Payments. The rent for the Equipment described in each Equipment Schedule shall be the total sum stated on such Equipment Schedule, in installments, and shall be due and payable on the dates set forth therein. A portion of each such rental payment is paid as, and represents a payment of interest and each Equipment Schedule sets forth the applicable interest rate and interest component of each rental payment; provided however such interest component is subject to change as provided in Paragraph 12 hereof. Such rent shall be payable from legally available funds of the Lessee in lawful money of the United States of America, without notice or demand, at the Principal Office of the Lessor or its assigns (or at such other place as Lessor may from time to time designate in writing). The receipt of any check or other item on account of any rental payment will not be considered as payment thereof until such check or other item is honored when presented for payment. All rental payments shall be made by the Lessee without abatement, setoff, or deduction of any amounts whatsoever. The obligations of Lessee to pay rent hereunder shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirements concerning the creation of an indebtedness by Lessee.

4. Continuation of Lease by Lessee. (a) Lessee intends to comply with each term, condition and covenant of this Agreement during the term hereof and to pay the rent due hereunder. Lessee reasonably believes that legally available funds of an amount sufficient to make all rent

payments due hereunder shall be obtained. Lessee agrees to include in its budget for each fiscal year during the term of this Agreement all rent payments due hereunder and to do all other things necessary and lawfully within its power to have such portion of the budget approved to obtain and provide for funds to pay its obligations due hereunder. It is Lessee's intent to make rental payments for the full term of this Agreement if funds are legally available therefor and in that regard Lessee represents that the use of the Equipment is essential to its proper efficient and economic operation.

(b) In the event no funds or insufficient funds are appropriated or otherwise available by any means whatsoever in any fiscal year for rental payments due under this Agreement, then the Lessee shall immediately notify Lessor or its assignee of such occurrence and this Agreement shall create no further obligation of Lessee as to such fiscal year and shall be null and void, except as to the portions of rental payments for which funds shall have been appropriated and budgeted. In such event, this Agreement shall terminate on the last day of the fiscal year for which appropriations were received without penalty or expense to Lessee of any kind whatsoever. Subsequent to such termination of this Agreement, Lessee shall have no continuing obligation to make rental payments under this Agreement. No right of action or damages shall accrue to the benefit of Lessor, or its assignee, as to that portion of this Agreement which may so terminate except as specifically provided in the last paragraph of this Paragraph. In the event of such termination, Lessee agrees to peaceably surrender possession of the Equipment to Lessor or its assignee on the date of such termination, packed for shipment in accordance with manufacturer specifications and freight prepaid and insured to any location in the continental United States of America designated by Lessor. Lessor shall have all legal and equitable rights and remedies to take possession of the Equipment.

(c) Notwithstanding the foregoing, Lessee agrees

(i) that it will not cancel this Agreement under the provisions of subparagraph (b) above if any funds are appropriated to it, or by it, for the acquisition, retention or operation of the Equipment, and

(ii) that it will not during the term of this Agreement give priority in the application of funds to any other functionally similar equipment or services.

5. Purchase and Installation. Lessee will select the type, quantity and supplier of each item of Equipment and in reliance thereon Lessor will either order such Equipment from such supplier or accept an assignment of any existing purchase order (the "Purchase Order") therefor. The Equipment so ordered shall be delivered to Lessee by the supplier thereof. Lessee shall accept such Equipment when and if delivered and placed in good repair and working order and hereby authorizes Lessor to add to this Agreement the serial number of each item of Equipment so delivered. Any delay in such delivery shall not affect the validity of this Agreement. Lessee shall have 30 days from the date of delivery to accept such Equipment and deliver an executed Equipment Acceptance Notice in the form attached hereto as Exhibit C. Notice of any defects must be given to Lessor within 30 days of delivery. In the event the Equipment is not accepted by the Lessee within 30 days from the date of delivery and such acceptance is unreasonably withheld by Lessee, Lessor, at Lessor's option, shall have the right to cancel this Agreement. Subject to the conditions set forth in this paragraph, upon delivery of the Equipment to Lessee, payment will be made by Lessor for the balance due and owing for the Equipment, and, notwithstanding any defect

in or failure of the Equipment, Lessee will, upon payment of any amount by Lessor at the request of Lessee (whether down payment, deposit, or full purchase price), become fully and completely liable under this Agreement with respect to the Equipment until such time as this Agreement expires by its terms. Lessor shall have no liability for any delay in delivery or failure by the supplier to fill the Purchase Order or meet the conditions thereof. Lessee, at its expense, will pay all taxes, duties and expenses of packing, transportation, installation, testing and other charges in connection with the delivery, installation, and use of the Equipment.

Lessor's obligation to purchase and lease-purchase Equipment under this Agreement is subject to the fulfillment, to Lessor's reasonable satisfaction, of the following conditions precedent:

(a) Lessor shall have received a full warranty bill of sale satisfactory to Lessor, executed by the supplier in favor of Lessor, covering such item of Equipment;

(b) Lessor shall have received an invoice describing such item of Equipment, all material components thereof and the purchase price payable to supplier in respect thereof;

(c) Lessor shall have received opinions of counsel to Lessee in form and substance satisfactory to Lessor, to the effect that such counsel has examined this Agreement and such other documents and matters as he deemed necessary to reach the conclusions stated in such opinion, which conclusions shall include the following:

(i) the representations and warranties of Lessee contained in this Agreement are true and correct on the date thereof;

(ii) this Agreement has been duly authorized, executed and delivered by Lessee, and constitutes a valid and binding obligation of Lessee enforceable in accordance with its terms;

(iii) there are no pending or threatened actions or proceedings before any court, administrative agency or other tribunal or body against Lessee which may materially affect Lessee's financial condition or operations, or which could have any effect whatsoever upon the validity, performance, or enforceability of this Agreement;

(iv) the interest portion of the rental payments due hereunder is exempt from federal income taxation pursuant to Paragraph 103(a) of the Internal Revenue Code of 1986, as amended, and the Treasury regulations and rulings thereunder (the "Code");

(v) The Lessee is a fully constituted political subdivision or agency of the State where the Equipment is located as set forth herein and is authorized by the Constitution and laws of the State of Mississippi (the "State") and its own internal or administrative procedure to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder; and

(vi) such other matters as Lessor may reasonably request.

(d) On the date thereof, no default (as defined in Paragraph 23 hereof), and no event

which with notice or lapse of time, or both, would become a default, shall have occurred and be continuing hereunder.

(e) All representations and warranties of Lessee made herein shall be true and correct in all material respects on the date thereof;

(f) A financing statement, in form and substance satisfactory to Lessor, in respect of such Equipment shall have been executed and filed in the appropriate offices;

(g) Lessor shall have received from Lessee written notice of acceptance of the Equipment; and

(h) Lessor shall have received all other documents, instruments, certificates, opinions, and evidences as Lessor may reasonably request.

6. Representations and Warranties of Lessee. Lessee represents, warrants and covenants to Lessor that:

(a) Lessee has been duly authorized by all necessary action on the part of the Lessee, its governing body or other appropriate governing bodies and officials to execute, deliver, and perform the terms of this Agreement and further represents that all requirements and procedures have occurred that are necessary to ensure the enforceability of this Agreement, including Lessee's compliance with any applicable public bidding requirements;

(b) This Agreement constitutes a legal, valid and binding obligation of Lessee, enforceable in accordance with its terms and does not contravene any lease, indenture, credit agreement or other agreement to which Lessee is a party or by which it is bound;

(c) There are no pending or threatened actions or proceedings before any court, administrative agency or other body which may materially affect Lessee's financial condition or operations or which could have any effect whatsoever upon the validity, performance, or enforceability of the terms of this Agreement;

(d) No consent, approval, or authorization of, registration with, or declaration to any agency or authority is required in connection with the execution and delivery of this Agreement;

(e) Lessee is not in default (nor has any event occurred which, with notice or lapse of time, or both, would constitute a default) under any agreement or instrument to which Lessee is a party or under which Lessee or any of its assets is bound which could have any effect whatsoever upon the validity, performance, or enforceability of the terms of this Agreement;

(f) There are no outstanding or unpaid judgments against Lessee;

(g) Lessee has furnished to Lessor a copy of current financial statements and except for transactions directly related to, or specifically contemplated by, this Agreement and transactions heretofore disclosed in writing to Lessor, since the dates of such financial statements, there have been no changes in the financial condition and operations of Lessee from that shown in such

financial statements through the date hereof which would have any effect whatsoever upon the validity, performance, or enforceability of the terms of this Agreement and there is no significant material fact or condition relating to the financial condition or business operations of Lessee which has not been related, in writing, to Lessor. Lessee shall furnish to Lessor within 120 days of the close of its fiscal year during the term of this Agreement audited financial statements and such other financial statements as the Lessor may request from time to time during the terms of this Agreement. Any financial statements furnished or to be furnished to Lessor by Lessee (whether audited or unaudited) shall be prepared in accordance with generally accepted accounting principles consistently applied and fairly present the financial condition and results of operations of Lessee at the dates and for the periods indicated therein;

(h) Lessee is not leasing the Equipment for the purpose of putting, and does not intend to put, the Equipment to any consumer use within the meaning of any applicable truth-in-lending or similar laws; and

(i) Lessee acknowledges and agrees that the rental payments have been calculated by Lessor assuming that the interest portion of each rental payment is exempt from federal income taxation. Lessee will do or refrain from doing all things necessary or appropriate to insure that the interest portion of the rental payment is exempt from federal income taxation, including, but not limited to, executing and filing all information statements required by Paragraph 149(e) of the Code and timely paying, to the extent of available funds, amounts, if any, required to be rebated to the United States of America pursuant to Paragraph 148(f) of the Code.

Lessee acknowledges that the representations, covenants and warranties set forth in Paragraph 6(i) and 7 shall survive the expiration of this Agreement and that Lessor may pursue any applicable remedies for the breach of such representations, covenants and warranties at any time.

7. Tax Exemption. Lessee acknowledges that Lessor has agreed to enter into this Agreement on the condition that a certain exemption from non-deductibility of interest expense under Section 265(b) of the Code is available. Said exception is subject to certain conditions relating to Lessee's use of the Equipment and to Lessee's issuance of tax-exempt obligations. In that regard, Lessee represents, covenants and warrants that:

(a) The Equipment will not be used, directly or indirectly in a "trade or business" carried on by any person other than a governmental unit, except for such use as a member of the general public, all as defined in section 141 and 145 of the code;

(b) No portion of the rental payments payable hereunder: (i) will be secured, directly or indirectly, by property used or to be used in a trade or business carried on by a person other than a governmental unit, except for such use as a member of the general public, or by payments in respect of such property; or (ii) will be derived from payments, whether or not to Lessee, in respect of property or borrowed money used or to be used for a trade or business carried on by any person other than a governmental unit;

(c) No portion of the gross proceeds of the Agreement will be used (directly or indirectly) to make or finance loans to persons other than governmental units;

(d) The Agreement is hereby designated as a qualified tax-exempt obligation for the purposes of Section 265(b) of the Code; and

(e) Lessee reasonably anticipates that the amount of qualified tax-exempt obligations to be issued by Lessee (together with qualified tax-exempt obligations issued by any entity from which Lessee derives its issuing authority or any entity which has substantial control over Lessee or any subordinate entity deriving its issuing authority from Lessee or any subordinate entity subject to substantial control by Lessee) during the current calendar year 2014 shall not exceed $10,000,000.

8. **Title; Personal Property; Encumbrances**. Upon acceptance of the Equipment covered by an Equipment Schedule hereto by Lessee hereunder and satisfaction of all conditions precedent for purchase and lease-purchase of such Equipment by Lessor as provided in Paragraph 5 hereof, title to such Equipment and any and all additions, repairs, replacements or modifications will vest in Lessee and for purposes of laws governing taxation and conditional sales, title to the Equipment shall be deemed to be in Lessee; provided, however, that (i) in the event of termination of this Agreement or of an Equipment Schedule which covers such Equipment in accordance with Paragraph 4 hereof, or (ii) upon the occurrence of an Event of Default hereunder, and as long as such event of Default is continuing, title will, upon written notice from Lessor to Lessee, immediately vest in Lessor or its assignee.

Each item of the Equipment subject to this Agreement is and shall remain personal property and shall not be deemed to be affixed to or a part of the real estate on which it is situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to real property or any building thereon. Lessor may at any time and from time to time require Lessee to obtain, and Lessee shall obtain and deliver to Lessor, a waiver of any interest in the Equipment by any present or future landlord, owner, or mortgagee of such real estate.

Lessee agrees to keep each item of Equipment at all times free and clear from all claims, levies, liens, and process other than those in favor of Lessor pursuant to this Agreement. Lessee will not attempt to sell, assign, transfer, sublease, loan, part with possession of, conceal, mortgage, encumber, or otherwise dispose of any of the Equipment or the interest therein, or permit any lien, attachment, levy or execution of any of its creditors to become effective thereon (if any such lien, charge, claim or encumbrance should arise at any time, Lessee shall promptly, at its own expense, take such action as may be necessary to duly discharge same) ; provided, however, Lessee may deliver possession of any item of Equipment to the manufacturer or supplier thereof for testing or other similar purposes or to any person or company for service, repair, maintenance, or overhaul work on such item of Equipment or for alterations or modifications or additions to such item of Equipment to the extent required or permitted by any provision of this Agreement. Lessee, at its expense, will protect and defend title to the Equipment.

9. Location. The Equipment shall be delivered to the location specified in the applicable Equipment Schedule and shall not be removed from such location without the prior

written consent of Lessor. While the equipment will be delivered to one place, the equipment will be installed in many and numerous places city-wide.

10. Use; Repairs. Lessee shall use the Equipment in a careful manner and shall comply with all laws, ordinances and regulations relating to, and shall pay all costs, claims, damages, fees and charges arising out of its possession, use or maintenance. Lessee, at its expense, shall keep the Equipment in good repair and furnish all parts, mechanisms and devices required therefor.

11. Taxes. Lessee agrees to pay, promptly when due, all assessments, license and registration fees, taxes, if any (including sales, use, excise, personal property, ad valorem, stamp, documentary and other taxes) and all other governmental charges, fees, fines or penalties whatsoever, whether payable by Lessor or Lessee, on or relating to the Equipment, or the purchase, ownership, possession, leasing, operation, use or disposition thereof, and on or relating to this Agreement for the rent or other payments hereunder (excluding taxes on or measured by the net income of Lessor and excluding any sales or use tax payable to the supplier or manufacturer or the State of Mississippi by the Lessor on the acquisition of the Equipment and for which a credit is allowable under Section 27-65-23 of the Mississippi Code of 1972, as amended, against sales taxes collected by the Lessor from the Lessee on the periodic rental payments) and to prepare and file promptly with the appropriate office any and all returns required to be filed with respect thereto (sending copies thereof to Lessor) or, if requested by Lessor, to notify Lessor of such requirement and furnish Lessor with all information required by Lessor so that it may effect such filing. If Lessee fails to pay said charges and taxes when due, Lessor shall have the right, but shall not be obligated, to pay said charges and taxes. If Lessor pays any taxes, assessments, fees, or other governmental charges for which Lessee is responsible or liable pursuant to the foregoing, Lessee shall reimburse Lessor therefor within 45 days after demand by Lessor.
