Sec. 4-28. - Keeping of vicious animals and vicious dogs.

(a) While on the owner's real property, a vicious animal or vicious dog shall be securely confined indoors or in a securely locked pen or structure situated behind the front building line of the primary residence, suitable to prevent the entry of children and designed to prevent the dog or other animal from escaping. Such enclosure must assure the safety of the public as well as confinement of the dog or animal in a humane, sanitary, and healthful environment. The animal control officer, or his/her designee, after reviewing the circumstances associated with each situation and inspection, shall make a determination as to whether the enclosure meets the requirements. Minimum enclosure requirements shall include:

(b) No owner of a vicious animal or vicious dog shall permit such animal or dog to go beyond the owner's real property unless such animal or dog is securely leashed and muzzled, with the muzzle being sufficient to prevent such dog or animal from biting human beings and animals, except that:

- (1) A vicious dog shall not be required to be muzzled when being shown in a dog show sanctioned by a national kennel club; or
- (2) A vicious animal or vicious dog shall not be required to be leashed and muzzled when securely caged or otherwise securely contained inside a commercial establishment in the business of boarding and/or medically treating animals or dogs.

(c) No vicious animal or vicious dog may be kept on a porch, patio, or in any part of a house or structure that would allow the animal or dog to exit such area on its own volition.

(d) When an animal or dog is reasonably determined to be vicious by the animal control officer or law enforcement officer, the dog may be destroyed providing each of the following requirements is met:

- (1) The animal is at large.
- (2) Attempts to peacefully capture and impound the animal have been made and proved unsuccessful; and

(e) Before filing a complaint/affidavit for a violation under this section in the municipal court, the animal control officer or his/her designee shall give written summons to appear in municipal court to the person suspected of a violation that their animal or dog is deemed a vicious animal or dog and may be subject to the requirements of this section.

(f) Once the owner is notified that his/her animal or dog has been deemed vicious, the owner shall have forty-five (45) days from said ruling to comply with the confinement requirements for vicious animals and dogs under this chapter. During this forty-five day period, the animal or dog should be confined in accordance with [section 4-13\(a\)](#) of this chapter.

(1) Owners of vicious animals or vicious dogs are hereby required to maintain liability insurance, such as homeowner's or renter's insurance, that covers injuries inflicted by animals or dogs, as the case may be. The amount in an amount of not less than one hundred thousand dollars (\$100,000.00), and said policy shall require notification of cancellation of said policy to the Animal Control Officer, 3330 Highway 90, Gautier, Mississippi 39553. Proof of said liability insurance shall be provided to the animal control officer or his/her designee upon his/her request.

(2) Owners or custodians of vicious animals or dogs shall, upon the loss, death or transfer of such animals, report such fact to the animal control officer. A separate registration shall be issued for each vicious animal or dog. Upon the transfer of any vicious dog or animal, a statement shall be filed with the city stating the name and address of the person to whom the animal is sold or transferred and the address at which the vicious animal or dog is to be located, if known.

(3) Any previously approved compliance letter issued pursuant to this section shall be revocable upon any noncompliance with any of the terms of this chapter by any person owning or in possession or control of any vicious animal or dog.

(1) Signs shall be constructed and maintained in a manner to withstand the elements.

(2) The absence of any required signs shall be prima facie evidence of a violation of this section.

Such inspection shall be made only after reasonable notice to the occupant of the premises. If the owner shall refuse the inspection, the assistance of a court may be requested.
