

**CITY OF GAUTIER
MEMORANDUM**

To: Samantha Abell, City Manager
From: April Havens, Grants and Projects Manager
Through: Chandra Nicholson, Director of Economic Development and Planning
Date: December 15, 2015
Subject: Authorization for an Amended Project Agreement with the MS Dept. of Wildlife, Fisheries and Parks for the MS Recreational Trails Program Grant #28-RTP-0234

REQUEST:

The Economic Development and Planning Department requests City Council authorization for an Amended Project Agreement with the Mississippi Department of Wildlife, Fisheries and Parks (MDFWP) for the MS Recreational Trails Program Grant for Trail Improvements at Shepard State Park to extend the project ending date to June 30, 2016.

BACKGROUND:

The Recreational Trails Program provides funds to states to develop and maintain recreational trails and trail-related facilities for motorized and non-motorized recreational trail uses. The City of Gautier previously received a grant award for \$99,840.00 with an in-kind match of \$24,960.00 and a project period of January 16, 2014 through December 31, 2015.

DISCUSSION:

Due to a slowdown in volunteering during the holiday season, city staff requested a six-month extension from MDWFP to complete the needed trail improvements at Shepard State Park. The Recreational Trails Program has approved the extension and forwarded the attached Amended Project Agreement to the City for authorization and signature.

RECOMMENDATION:

The Economic Development and Planning Department staff recommends that City Council authorize the attached Amended Project Agreement with the Mississippi Department of Wildlife, Fisheries and Parks for the Recreational Trails Program Grant for Shepard State Park extending the project ending date from December 31, 2015, to June 30, 2016.

City Council may:

1. Authorize the attached Amended Project Agreement; or
2. Disapprove the attached Amended Project Agreement.
