

**CITY OF GAUTIER
MEMORANDUM**

To: Samantha Abell, City Manager
From: Cindy Russell, City Clerk
Date: January 28, 2016
Subject: Annual Approval of a Comprehensive Fee Schedule

REQUEST:

City Council authorization is requested for the amendments to the Comprehensive Fee Schedule. Changes include Water, Sewer and Wastewater Treatment rates

BACKGROUND:

The Municipal Code of Ordinances provides for certain filing fees, permit fees, inspection fees, deposits and conditions of services which have been established by the City Council. The fee schedule is a business-friendly comprehensive document. The Council has the sole authority to adjust or waive any set fees, with the exception of authority specifically granted by the Council to the City Manager. The Clerks' Department has communicated its annual survey and findings with applicable departments.

FINANCIAL IMPACT:

The City of Gautier continues to set fees comparable with its neighboring governments. Due to cost to cover the necessary purchase of water and wastewater treatment services from the Jackson County Utility Authority, the City of Gautier amended Water, Sewer and Wastewater Treatment rates to cover any and all cost associated with the purchase.

For a complete list of changes, see attachment (strike-thru old/underline-new).

RECOMMENDATION:

The City Clerk recommends City Council approval the changes to the Comprehensive Fee Schedule.

POLICY FOR ADJUSTMENTS ON WATER AND SEWER CHARGES (Strike-thru old/ underline-new)

Pursuant to Mississippi Law, whether a municipality may reduce a utility bill of a customer depends upon the facts and circumstances of each case.

LEAK ADJUSTMENTS

If a leak occurs in a portion of the City owned and maintained water system, the Customer will not have to pay for either the water usage or sewer treatment attributable to the leak.

If a leak occurs in a portion of the Customer owned and maintained water system, the Customer will have to pay for the increased water usage ~~may request a once per twelve (12) month adjustment, provided their account is in good standing.~~ The Customer will not have to pay the sewer charge for any water that was not routed through the City sewer system.

~~The adjustment for leaks of water and sewer usage shall be based on the previous six (6) month average. Before any adjustment is granted, consumption must return to normal or the request is denied.~~

METER MALFUNCTIONS

If the City water meter malfunctions and results in a reading of increased usage, the Customer will not be required to pay either the water service charge or the sewer charge for any usage in excess of the previous six (6) month average.

POOL AND IRRIGATION OPTIONS

The City offers an irrigation meter (water charge only) for outdoor use. This meter will result in charges for the water usage only; there will be no sewer charges on water usage through the meter.

The City offers a fire hydrant meter for in ground pool filling. This meter will result in charges for the water usage only; there will be no sewer charges on water usage through this meter.

TAMPERING AND VANDALISM

In cases of a significant increase in usage caused by tampering, vandalism or unforeseen abnormalities, which can be documented to the City's satisfaction, that portion of the bill for water and sewer in excess of the prior six (6) month average may be forgiven at the discretion of the City Manager.

PAYMENT PLANS

Any abnormally high monthly billing may be satisfied through a payment plan, which shall not exceed a twelve (12) month period, and may only be approved by the City Manager.

THIS POLICY IS SUBJECT TO CHANGE AT ANY TIME BY ORDER OF THE CITY COUNCIL

* Re-establishes policy in effect prior to 2015.
