

**CITY OF GAUTIER
MEMORANDUM**

To: Paula Yancey, Interim City Manager
From: Chandra Nicholson, Economic Development and Planning Director
Date: June 14, 2016
Subject: College Park Elementary Safe Routes to Schools Project Contract Award
SRSP-0494-00(010)LPA/106702-401000

REQUEST:

The Economic Development & Planning Department requests authorization to Award and Execute a Contract with Gulf Breeze Landscaping, LLC for the College Park Elementary Safe Routes to Schools Project in an amount not to exceed \$149,220.00.

BACKGROUND:

The Safe Routes to School Program, which is funded through MDOT & FHWA, was established as a response to the reduced number of children walking and bicycling to school. This change in the mode of transportation has added to traffic congestion, reduced air quality, and contributed to the decline in children's health. The purpose of this grant funding is:

- to enable and encourage children, including those with disabilities, to walk and bicycle to school;
- to make bicycling and walking to school a safer and more appealing alternative; and
- to facilitate the planning, development and implementation of projects and activities that will improve safety; and reduce traffic, fuel consumption and air pollution in the vicinity of schools.

A grant totaling \$206,000 was awarded for infrastructure improvements and activities designed to encourage and enable children to walk and bicycle safely to College Park Elementary School. School officials estimate that approximately 100 children walk or ride bikes to that school on a daily basis. The grant requires a 20 percent local match, with Jackson County providing \$15,000 of the local match. City Council authorized staff to advertise for bids on May 3, 2016.

DISCUSSION:

Bids were received June 7, 2016. The lowest and best bid received was from Gulf Breeze Landscaping, LLC of Gautier, for a total of \$149,220.00.

RECOMMENDATION:

The Economic Development and Planning Department recommends that City Council authorize staff to Award and Execute a Contract with Gulf Breeze Landscaping, LLC for the College Park Elementary Safe Routes to Schools Project contingent on MDOT approval.

The City Council may:

1. Authorize the Award and Execution of the Contract contingent on MDOT approval; or
2. Reject all bids and modify the scope; or

3. Reject all bids and re-advertise.
